From the President

Hi everyone,

I'm so excited to be starting this year with all of you at our new meeting location in the New View Building at 4301 N Classen Blvd, Oklahoma City, OK 73118. It's a great space, and I'm really looking forward to everything we'll do there together — sewing, learning, and just enjoying time with one another.

Thank you for making our raffle such a success. It went so well, and that's all because of your support and participation. As we start thinking about this year's raffle, I'd love to hear any ideas you might have — no pressure, just lots of creativity!

Our community service project was another big win. You all did an amazing job on the heart bags, and finishing early gives us a wonderful head start for this year. That says a great deal about this group and how willing everyone is to pitch in and help.

I'd also love to see more members get involved with our Community Advisory Board (CAB). If you've ever been curious about it, we'd love to have you join us for the February CAB meeting. It will be held the same day as our Sew Day Mini Retreat on Saturday February 7th 9AM, at, Crown Heights Christian Church , so it's a great opportunity to come see what it's all about.

I can't wait to see what we create and accomplish together in the coming year. Thank you all for being such a fun, generous, and talented group — I'm really looking forward to what's ahead.

Happy sewing,
Andrea Mulkey

Heart Bag Report—Kelli Howery and Brandy Tsonetokoy-Burns

Heart Bag Update: We're packing up our 225 completed Heart Bags and will be presenting them at the January Meeting, to Karey Landers for use at the Children's Hospital in their Valentine celebrations.

This year Brandy Tsonetokoy-Burns will be the new Heart Bag chairman. If you have any Heart Bags that you're working on - KEEP GOING! We are planning on providing another 225 Heart Bags in 2026!

We finished with time to spare this year due to the fantastic efforts of our membership. I thank you for all your hard work and dedication to our cause!

Also, at the January Meeting we will be making Heart Bag grab-n-go kits again for this coming year. It seemed to be a good system - having the bags pre-cut.

Same rules apply - if you make 3 bags - you'll earn a raffle ticket!

Of course if you are inspired to make bags with your own fabric or cutting your own, PLEASE do that too!

Please bring the following to the January meeting:

any juvenile / kid friendly fabric you may have in your stash that would make good heart bag

rotary cutter

cutting mat

fabric marker

chocolate - for inspiration

Cheers,

Kelli

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in *Notions*, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG *Notions* emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.
