From the President

Hi to all my Sewing Friends,

What a busy year it has been and we are only halfway through!

I am so proud of all our chapter does to help our community. In April we were able to help The Hugs Project make Cool Ties for our troops. And in August we will have a Mini-Retreat Sewing Day, and our goal is to work on heart bags. Please join us to be a part of giving back to our community, and thank you again for all you are doing.

A huge thanks to Karen and Michaelene our Retreat Chairs for planning such a wonderful retreat. Also a special thanks to their support committees who helped in setting up, and with the planning involved. And of course, we all want to thank all the donors who provided us with great prizes and surprises we received.

On a final note I want to encourage everyone to check out our neighborhood groups, they always have great projects and are a wonderful way to get together, make new friends, and get to know each other better.

As always, I can't wait to see what we continue to do as individuals, and as a collective group. Keep up the good work!

Sincerely,
Andrea

Heart Bag Report—Kelli Howery

We have 85 heart bags made already! Just 140 bags left to go! If you need some fabric or need a pattern to make a bag - please let me know! I'm happy to get you what you need to make a bag!

I'm looking forward to seeing you and sewing heart bags on August 10th for the sew day.

The Fashion Sewers Group is welcome to join the Moore Sewciopaths on the 3rd Saturday going forward - WHICH IS NOT the previously scheduled time, so we're offering up the 3rd Saturday dates and venue which has more room for more people!

The next date scheduled is July 20th. We will be sewing at LaVetta's church. Call Kelli 405-761-0220 for an address.

Bring your seat cushions and extension cords. There is lots of room and tables, so all are welcome. The church would be thankful for a non perishable food donation for their pantry ministry.

Cheers,
Kelli

Neighborhood Groups

Scissor Wizards

Scissor Wizards neighborhood group meets the second Tuesday of each month. 10:00am-4:00pm. We are now meeting at Beth's Quilting Quarters 114 N Main Blanchard, OK 73010. FYI after our group meeting is over you can use the sewing room for the remainder of the day unless they have a special event planned. Please call (405) 229-6612 (Lynn Smith) for any updates on location and program.

Fashion Sewers

With a concentration of sewing garments, we have a new group! We work on our own clothing projects, help each other with fitting and solve garment sewing problems.

Because Stitching Post in Moore has closed, we are meeting on the 3rd Saturday of each month at Hilltop Assembly of God, 419 SE 47th, 73129

As we are still acquiring equipment, bring a power strip, electric cord, and any chair cushions you may need.

Also, the cost of the church is 5 non perishable food items OR 5 household items, ie toilet paper, laundry soap, hygiene items. This supports our monthly food pantry.

Next meeting is July 20th! Contact okcasg@gmail.com for any updates.

Sewing Happy Hour

No Alcohol is to be served at sewing happy hour
Meeting the 4th Thursday of the Month at 6:30 PM. The meeting place is changing every month so call for more information. Members should receive a reminder right before the meeting with location information. Erica and Andrea

Feeling stressed after a long day at work?
Come to happy hour... Sewing Happy Hour!!
Socialize with friends while making a fun and

easy project! We host a make & take project class on the fourth Thursday evening of each month at a local library. Members take turns choosing and leading the class. Everyone is welcome to attend, please let Erica know if you are interested in leading a project. Date, time, location, and project details will be posted on the ASG Facebook page and emailed to all members. Snacks and treats are allowed, but please no alcohol. Thanks, Erica RagsReborn

Have you ever asked yourself why join a neighborhood group?

Who doesn't want to talk about their sewing obsession, share their latest projects. If your non-sewing friends get a glazed look in their eyes when you talk about your latest fabric score or your embroidery triumph, then you need to find a sewing group, Here are just a few more ideas why you should join one.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

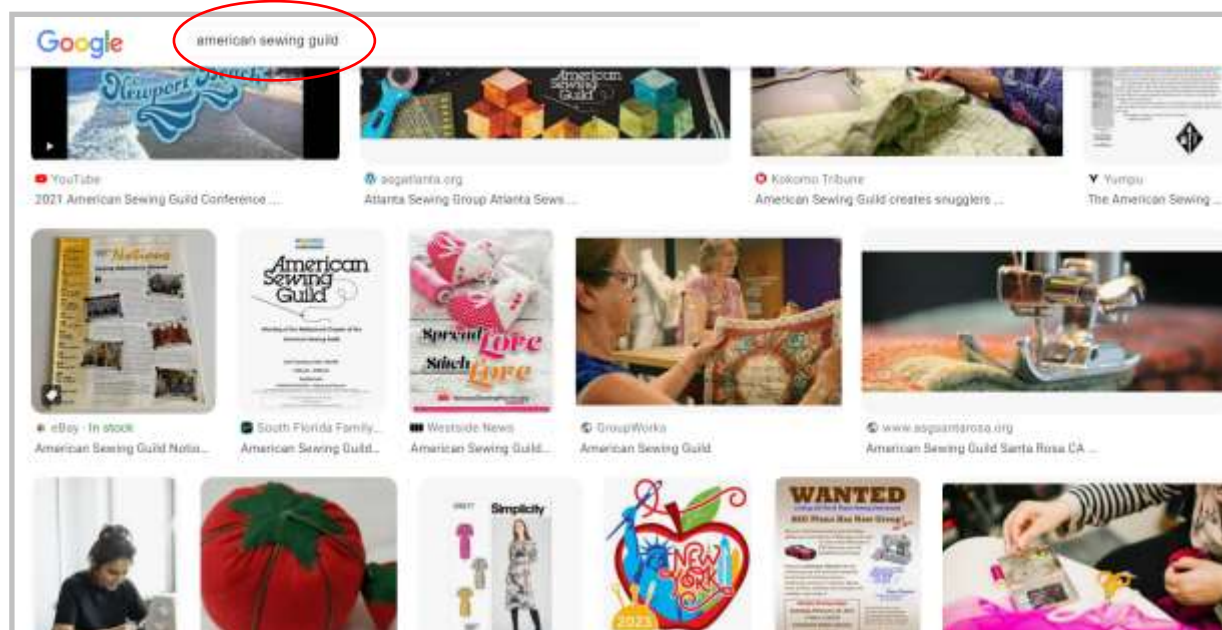

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.
