From the President

Hi Friends,

I can not believe how quickly this year has flown by. We were able to accomplish so much individually, and as a group.

Just a reminder a large number of our members will be at the Wichita Falls Retreat in October, so we will not have our regular meeting then.

We will all meet back for a mini retreat on Oct. 26. At this mini retreat we will be working on Hats for the Salvation Army for the cold winter season. We have made these hats for several years now, and this is a very fun, and easy project that helps our community.

For the projects there are 3 types of task: Cutters, Sewers, and Sergers. Be sure to keep an eye out for an email with signups for each job.

In November the theme of our meeting is Notions. Please bring your favorite notion to tell the group about.

For our November meeting we also have elections. If you would like to be involved with the CAB (Chapter Advisory Board), please reach out to me and I can tell you what positions we have available. We will also be having a CAB meeting on October 26th at 9 AM on the same day as the October mini retreat, all members are welcome to come to the CAB meeting. This would be a great time to see how the CAB operates, and how you could help and, be a part. Please note that only Board Members are allowed to vote on issues.

At our December meeting we will have our Annual Christmas Party. There will be more information in the future emailed about what we may need for the Potluck.

We will also be collecting things for the Salvation Army. They usually need toiletry items, feminine hygiene items, as well as clothes or shoes that are still in nice condition. There will be reminder emails as we get closer.

Thank you all for all you do for our community and our group.

Andrea

Heart Bag Report—Kelli Howery

Once again the sewists at OKC ASG have come thru for the Heart Bag Project! Not only have we knocked it out of the park by surpassing our original 225 bags - we actually have 236 bags completed, but we also got them done EARLY!!

EARLY AND EXTRA. Hard to beat that now, isn't it?

This is a FANTASTIC show of our commitment to our service projects! Our members have spent countless hours gathering, cutting and sewing the bags for the Children's Hospital. I feel certain that the kids receiving the bags will feel like they've gotten a fabric hug from us. Very nice work! 5 Stars!

Kelli Howery

We are looking forward to our annual retreat in 2025! Planning is underway and we will keep you posted on the dates, cost and more.

Sew your best!
Michaelene and Karen F.

This is an old machine embroidery called "Sewing Friends" that American Sewing Guild used to have on their website in 2003. I have it stitched out on several things and members ask me for the design. The original file is in a .pes version which is Brother / Babylock / Deco. I can convert this file to other formats and reduce the size but I have no way of testing it.

Height: 10.24

Width: 3.17

Stitches: 39,934

Spotlight on Donna Conover

Background: I've sewn most of my life. My mother, maternal grandmother and great aunts all taught me. My paternal grandmother also sewed but she died before my parents met.

How did you discover ASG? I was looking on improving my skills and Kelli Howery had joined ASG and told me about it. A few months later, I joined.

Family Situation: 5 brothers (1 has passed on), 3 nieces and 3 nephews and I great nephew and 2 great nieces. There is also Goober the Cat, who lives with me. He does all quality testing for the quilts I make.

Job: I'm retired. I worked at Tinker AFB for 44 years. Out there, I started in keypunch (with the 80 column cards) and worked on the flight line. I became a systems analyst and then was a resource advisor. Prior to that I worked at Target and a family grocery store that has since gone out of business. I also tutored various math classes in college.

Favorite aspect of being part of ASG: I really like the Sew and Shares and sew days. I also like that there are projects that the group supports such as hats for the homeless. And I learn a lot from the members like where to take classes and different sewing techniques.

Type of sewing: I've been doing a lot of quilts but now I'm learning to sew clothes. I want to make a jacket with a hidden placket front, elbow patches and some other special techniques.

Favorite meal: Tacos

Favorite movie: Depends on my mood. I like Rocky Horror Show for comedy and dancing.

Favorite series: Law and Order - all of them. I also like Van Der Valk murder mysteries.

Favorite travel destination: Beach. I really like Cape Hatteras NC, Sanibel Island FL, and La Jolla Beach CA.

Favorite music: Pop - I also like oldies. I do not like polka!!!

Books: I really like British murder mysteries.

Spotlight on Kelli Howery

What's your background and how did you discover the American Sewing Guild?

I was a speaker to the group - y'all were so much fun - I decided you

were my people and I joined!

What is your family situation:

I have 2 kids - one is about to graduate college and the other one is trying to figure out how to be a pilot. My husband and I are trying to navigate the slow roll towards being empty nesters. I never thought it would happen to me.

What do you do for a living and what's the most challenging part of your job?

I'm working part of the time for a Real Estate Company that sells Apartments. I'm a transaction manager for the team, which means I mind the paperwork and the deadlines. I try to talk all kinds of people into cooperating with me - essentially. The most difficult part of my job is when people go rogue and don't cooperate, miss deadlines or otherwise bonk the paperwork.

I also teach quilted jacket making class. There is no downside of that! It's all fun.

What's your favorite aspect of being part of the American Sewing Guild?

I love the fellowship, the willingness to share knowledge and I find myself bragging all the time to others about ASG's free table. It's amazing! I've had a lot of fun with ASG.

What type of sewing do you enjoy. Example: Quilting, Garment, Slow Stitching . . .

I love making quilted jackets. I regard it as slow stitching as my pace is glacial - but I'm not sure that actually is the definition of "slow stitching".

What's your favorite meal, movie, or series?

My favorite meal is a meal out with friends. I almost always order dessert! Who doesn't need a sweet treat? I love movies with a car chase, things exploding, and awesome costumes, plot is not critical. I almost never watch TV (fighting for the remote with 3 boys isn't worth it). I always have a book. I almost always have more than one book.

What's a fun fact about you that most people don't know?

I hate pantyhose and things that itch. I love words and remember a lot of weird ones. Mountain Dew is the staff of life.

What's your favorite travel destination?

Home - No matter where I've been - I love to come home, and get into my own bed.

What music are you listening to?

Usually both types of music - Country and Western. But all so, I am a secret punk rock fan - from the olden days when I was in school.

What books are you reading?

Romance is my favorite genre - paranormal is fun too.

Neighborhood Groups

Scissor Wizards

Scissor Wizards neighborhood group meets the second Tuesday of each month. 10:00am-4:00pm. We are now meeting at Beth's Quilting Quarters 114 N Main Blanchard, OK 73010. FYI after our group meeting is over you can use the sewing room for the remainder of the day unless they have a special event planned. Please call (405) 229-6612 (Lynn Smith) for any updates on location and program.

Fashion Sewers

With a concentration of sewing garments, we have a new group! We work on our own clothing projects, help each other with fitting and solve garment sewing problems.

Because Stitching Post in Moore has closed, we are meeting on the 3rd Saturday of each month at Hilltop Assembly of God, 419 SE 47th, 73129

As we are still acquiring equipment, bring a power strip, electric cord, and any chair cushions you may need.

Also, the cost of the church is 5 non perishable food items OR 5 household items, ie toilet paper, laundry soap, hygiene items. This supports our monthly food pantry.

Next meeting is July 20th! Contact okcasg@gmail.com for any updates.

Sewing Happy Hour

No Alcohol is to be served at sewing happy hour

Meeting the 4th Thursday of the Month at 6:30 PM. (a little different for Nov and Dec because of holidays-see calendar on 1st page) The meeting place is changing every month so call for more information. Members should receive a reminder right before the meeting with location information. Erica and Andrea

Feeling stressed after a long day at work?
Come to happy hour... Sewing Happy Hour!!
Socialize with friends while making a fun

and easy project! We host a make & take project class on the fourth Thursday evening of each month at a local library. Members take turns choosing and leading the class. Everyone is welcome to attend, please let Erica know if you are interested in leading a project. Date, time, location, and project details will be posted on the ASG Facebook page and emailed to all members. Snacks and treats are allowed, but please no alcohol. Thanks, Erica RagsReborn

Have you ever asked yourself why join a neighborhood group?

Who doesn't want to talk about their sewing obsession, share their latest projects. If your non-sewing friends get a glazed look in their eyes when you talk about your latest fabric score or your embroidery triumph, then you need to find a sewing group, Here are just a few more ideas why you should join one.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

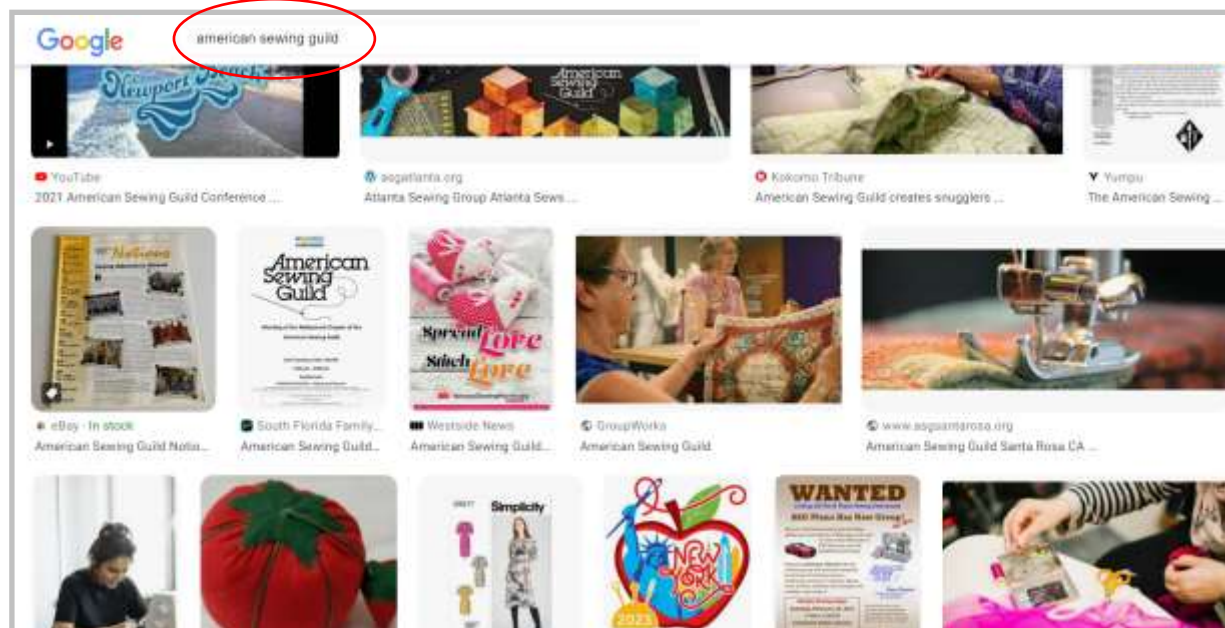

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Membership Information

Currently, we have 85 members in our chapter. That number changes as memberships are renewed on an annual basis throughout the calendar year. We love visitors to check out our meetings, however, we must limit the number of times a visitor can attend before they join. The first meeting is free to attend, but after the 2nd, we ask that you join our chapter. Dues are \$60.00 for the first year, and \$55 for renewals. Your dues can be quickly recouped if you take advantage of all the savings and discounts posted on the national ASG website, as well as the 10% off many retailers.
