From the President

It's hard to believe we're already heading into the final quarter of 2026! We've had a busy year filled with sewing, service, learning, and plenty of time spent together, and there's still more to come before we wrap up the year.

First, a huge thank you to everyone who volunteered at our State Fair booth! Our make-and-take project was a big hit, and we had several people interested in learning more about our guild. Events like this are such a great opportunity to share our love of sewing with the community and let people know what ASG is all about.

We also have some exciting State Fair bragging rights! Our own Erica entered two items in the fair and won FIRST PLACE for both of them! And Katie won THIRD PLACE for her Quilt of Valor quilt! Congratulations to both of you! It's always exciting to see the beautiful work of our members recognized, and we're proud to have such talented sewists in our chapter.

Service continues to be an important part of our chapter. We have officially reached our yearly goal for heart bags! Thank you to everyone who helped us get there. Of course, we aren't stopping—we're already getting a head start on next year's bags. Our January meeting will be focused on our heart bag service project, so we'll have a chance to start 2027 strong.

At our September meeting, we were also able to help NewView by sewing closed stuffed animals for their service project benefiting Beautiful Dream Society. We are so fortunate that NewView allows us to use their building for our meetings, and it was wonderful to have an opportunity to help them with a project of their own.

We have some fun things coming up this fall! We'll have Mini Retreats on the first Saturday of October and November, giving us extra time to sew, visit, work on projects, and maybe even finish a UFO or two.

Our CAB meeting will be held during our November Sew Day, and everyone is welcome to attend. If you've ever wondered what goes on behind the scenes or thought you might be interested in becoming part of CAB, this would be a great time to join us. We'd love to have you!

And, of course, our Holiday Party will be here before we know it. Keep an eye on your email for information and potluck sign-ups. It's always a fun way to finish out our year together.

We're already looking ahead to 2027, too. In January we'll concentrate on our heart bags, and in February Donna Alexander will be joining us to teach us about Foundation Paper Piecing. I'm also working on a whole new set of monthly challenges for 2027, so there will be plenty of reasons to get into our sewing rooms and try something different!

In my own sewing world, I recently bought a new-to-me embroidery machine with a much bigger hoop than my previous machine. Now I just have to figure out how to use everything it can do! Jonathan is especially excited about my new purchase because he already has plans for all the T-shirts I can make him. In fact, he's so excited that he wants to learn to use the machine himself so he doesn't have to wait for me. I have a feeling this machine is going to stay busy!

Before I close, I want to give a special thank you to Donna Connover. Donna has been incredibly helpful finding good homes for the fabric left over from our fabric sales. It takes a lot of work behind the scenes to keep our chapter running smoothly, and efforts like hers are very much appreciated.

Finally, thank you to all of our members who have volunteered, participated in our challenges, contributed to service projects, attended meetings and Sew Days, shared your knowledge, and brought your wonderful creations for all of us to see. You are what makes our chapter special.

I hope everyone has a wonderful holiday season filled with family, friends—and, of course, a little sewing time! Happy Sewing!

Andrea's 2026 Monthly Challenge

Please interpret the theme as you wish. There is also a theme color every month if you choose to use that in conjunction with or in place of the theme.

2026 Andrea's Challenge

Month	Theme	Description	Ideas
October	Layer it up	Focus on layers—fabric, batting, pockets, panels, or textures. Build depth into your project in any way you like.	♦ Garments: vests, cardigans, layering pieces ♦ Bags: pockets, flaps, layered exteriors ♦ Quilts with borders or pieced backs
November	Sew Sustainable	Use something recycled, upcycled, or repurposed:	♦ Denim jeans → tote ♦ Old shirts → quilt blocks ♦ Leftover batting → pot holders ♦ Scraps → zipper pouches
December	Giftable Makes	Make a handmade gift:	♦ Quilted table runner ♦ Tote bag ♦ Pajama pants ♦ Apron ♦ Ornaments ♦ Hot pads ♦ Pouch sets

Hope Pregnancy Center is in need of bags for men with a fabric design that would appeal to men. Possibly sports or dark colors browns and blacks.

Here is the positive bag pattern

Positive Bags

Positive bags are given to clients who have a 'positive' pregnancy test. Each bag contains literature, a Gospel tract, diaper, pacifier, onesie, and other small items. The bags are a gift to our clients to help them understand the reality of a new and wonderful life growing within them.

We give away up to a dozen bags per week in each center. We are always in need of more bags. Making positive bags is a great activity for a mission or ladies group. As you sew, please pray for the mothers who will be receiving the bags.

Instructions

Sturdy fabric works best. One-half yard will make each bag.
Feel free to add trim and pockets if you like.

Cut one piece of fabric 13" x 28".
Cut two strips 2 1/2" x 18" for handles.
(Sturdy ribbon can also be used for handles)
Pray for the mother to understand that God has a plan (pattern) for her life that is good, Jeremiah 29:11.

Fold the large piece of fabric so it is 13" x 13", (in half long ways). Stitch the side seams (5/8").
Pray that each time a mom uses her bag, she'll be reminded of God's love for her and her unborn child.
To form the bottom of the bag: At the bottom of the side seams, fold fabric back to make a triangle. Stitch 2" above end of seam, stitching horizontally to make the bottom of bag squared off.

Pray Ephesians 3:16-19 for our client's to know God's love.
At the open end, turn the top under 5/8" and again at one full inch. Press.

Fold handles in half lengthwise, fold and press under each long edge 1/2" then fold edges to middle.

Top stitch down the length of handle overlapping the folded edges.

Pray that our clients will be more concerned with pleasing God in their pregnancy decision than man.

Attach handles to bag by placing outer edge of handle two inches from side seams at the hem. Tuck edge of handle under hem, pin handle in place and stitch edge of hem catching the handle as you stitch.

Flip handles up and top stitch 1/4" from top of bag, catching in handles.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.
